Vanier Substance Free After-Grad

Vanier's Substance Free After-Grad, held on Saturday, June 12, 2021, offers graduates the opportunity for a fun and safe celebration with their fellow classmates.

Over the years, the business community has been a tremendous supporter of our parent effort to provide our sons & daughters with a night of celebration in a safe environment. We like to honour our graduates for celebrating responsibly by offering prizes to those who participate for the entire evening.

We understand that you must receive an abundance of requests from other organizations. We hope that your company will be able to provide some sort of item or monetary donation for this event. The graduating class of 2021 represents the future of our community, and we sincerely hope that you will be able to help us in this endeavor.

Any donation is greatly appreciated. With you, the community leaders, working alongside of us, we can achieve more.

Thank you for your consideration of this request. We hope to hear from you soon.

Please contact one of the committee members below to arrange pick-up.

Michael Lauer
